

# Museum in a Box

This free resource consists of a choice of loan boxes with old objects students and teachers may handle! With the aid of a full set of catalogue cards, students are encouraged to explore and interact with the objects to question and better understand what life was like in the past.

## At the Shops

Shops have seen a lot of change over the years, and these objects will help demonstrate just how much.

## Changing Technology

With an unprecedented explosion in digital technology and its applications over the last generation, this collection will help explore the progression of that change.

## Domestic Life

Reflect on a range of items that were common place in house holds of the past.

## On the Farm

Farming was a common employment of early Armadale settlers. This collection includes a range of objects those farmers would have used.

## Toys

Discover how toys and games of the 'olden days' were creative, usually simple and still a lot of fun.

## Transport & Tools

A collection of items that reflect the early transport and trade professions.

## Important Information

These boxes can be loaned for a two week period, and will be delivered to and collected from your school reception if you are a local school!

They are very popular so be sure to book well in advance.
